

How We Work

We work with you on your own goals, whether it's making small changes, stopping an unwanted habit, helping a friend or loved one or simply just getting some advice.

See How We Can Help

Coming to Community Response and speaking with others experiencing the same helps me share my struggles. I don't feel alone

What happens when you visit us

Help & advice for you

We'll talk to you about your alcohol use so our specialist staff can get an idea of how to help. Staff will ask about your goals for the future ensuring plans are created which match your pace of change.

Help & advice for family and friends

We'll discuss your worries about your loved one's drinking. Offering support on how to look after yourself and talk to your loved one about your concerns.

OUR SERVICE

Group Support

Structured Groups- focus on a set of topics which offer information on the effects of alcohol, relapse prevention and coping skills to help you manage change.

Friends & Family Group- is a peer based group for friends and family members of those affected by alcohol. It offers education and support to those impacted by someone else's alcohol use.

Why Choose Us

- We have been providing support, education and advocacy to individuals and families impacted by alcohol use for over 30 years.
- We are a caring and inclusive organisation where people can progress and connect with others.
- We offer a service to those currently drinking as well as those in sobriety.

**Our service is open
Mon-Fri 9am-5pm**

Change the way you think and feel

Our team will work with you to put together a plan to help you change the way you think and feel about alcohol. We will help you:

**Stay Safe &
Stay On Track**
